

Brunswick Area Modelers Bulletin for January 2009

Our December meeting was a potluck supper and annual gift exchange with Jay Wiley's Chorus singing Christmas Carole's and a Show and Tell. We also held election of officers and Bob Bergin was voted in as our new President. I will take over as vice-president and Sandy Schmidt will stay on as Treasurer. We will be looking for someone to volunteer to take the job of Secretary. We thank Dave Bradbury for the great job he did for all the years he took the meeting notes.

The field move seems to be working quite well. Although we have had several people get stuck on the upper parking area so some work will be needed in the spring. Please use caution when the ground is not frozen. We still have issues to work out with the Crookers for the use of the field but we do believe that if we offer to pay something toward the taxes that this will satisfy them.

I enjoyed being President and look forward to working with Bob Bergin as his vice-president. It is always good to have people with new ideas to keep the club fresh.

Come and join Bob at our next meeting on January 6th at the Pejepscoot Terrace at 7:00pm. Bring any of your new projects or show and tell items.

Thanks, Paul
